Experience:

- Rock 'n' Roll Mountain | Rotoscope animator (Apr 2025)
 - Animated in-betweens for seven characters whilst keeping to their model sheets and keyframes.
- Freelance Storyboard Artist | Working for Jack Zhang (Feb 2025)
 - Created an animatic from an existing storyboard, then timed it to match a live action music sequence.
 - Kept regular updates through slack, and quickly responded to notes.
- Rajendra Ramkallawan | Storyboarding mentorship (Sep 2023 - Mar 2024)
 - Wrote, storyboarded, and pitched three storyboard sequences under a deadline.
 - Collaborated in meetings with my mentor to revise the story, composition, and character acting over multiple passes to achieve dynamic scenes.
- Blinkink Animation studio | Work experience (Aug 2023)
 - Catered for production meetings and relayed messages around the studio.
 - Shadowed professional artists, observing working practices and studio etiquette.

Education:

- Gobelins | Bachelor of Animation (2024-2027)

Skills and Software:

- Proficient with Adobe suite (Photoshop, After Effects, and Premiere), Storyboard-Pro, TvPaint, and Blender.
- Strong sense of visual storytelling and character acting.
- Organised and effective at responding to revisions.
- Confident at contributing to brainstorming sessions and story meetings.
